Meeting Rooms

	Main Room «1882»
Size	142m2
Capacity	20-35 people
	The room for big ideas and countless possibilities. The Main Room presents itself anything but classic with its listed painted ceiling and flexible structures. With its different settings and being affected by the charm of baroque paintings on the ceiling the Main Room offers the platform for inspiring discussions and invites to create a constructive idea workshop.

Meeting Rooms

	White Room «Marghareta Pfister»
Size	33m2
Capacity	8 people
	This room wraps you in a soft white cloud which keeps you away from any optical distraction. A room to think and concentrate on the essential things. It gives your thoughts the essential clearance to unfold their full potential. In the same time, it lays the foundation for innovative perspectives and targeted concepts on which you can focus and discuss strategically.

Meeting Rooms

	Red Room «Johann Jakob Pfister»
Size	31m2
Capacity	4 people
	<p>That's the place you can still feel the innovation spirit, drive and courage of the founders. The Red Room lets ideas flow and gives euphoric dynamics to your creativity with its half-timbered wall and the red paintings from 17th century.</p> <p>Let's try it with a brainstorming on the whiteboard in this room and develop something new together - the quantity is still unknown.</p>

Meeting Rooms

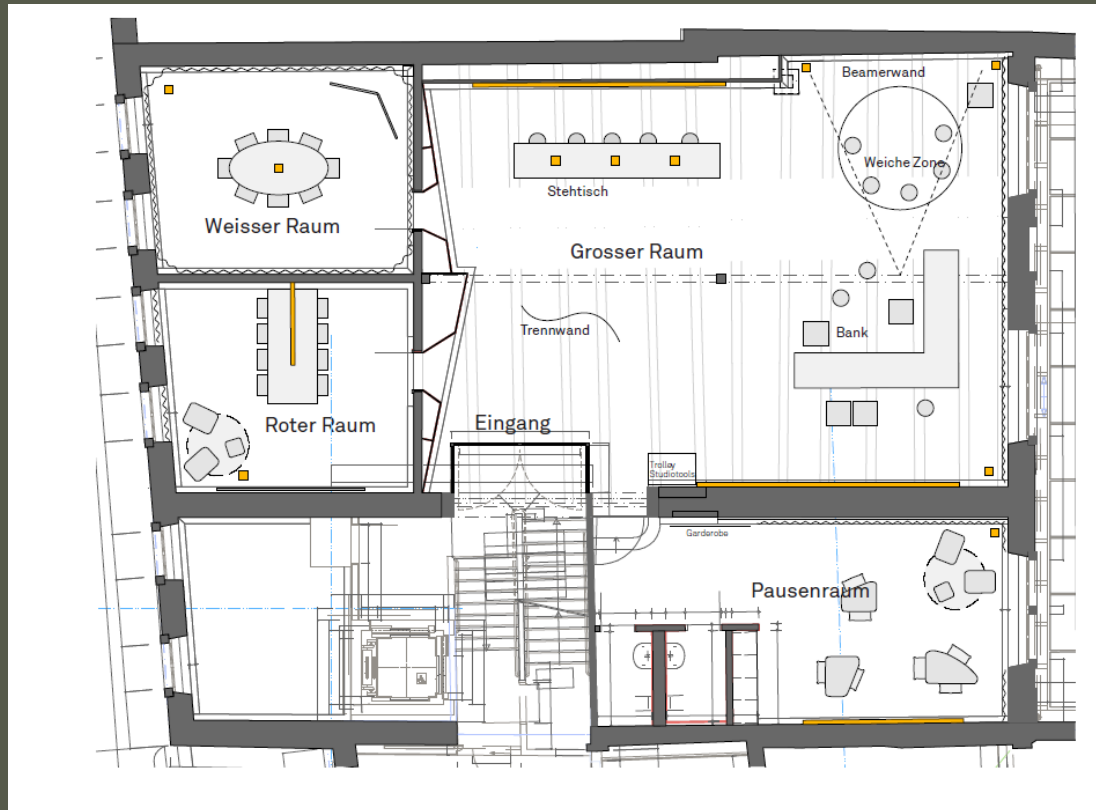

Kitchen Club

That's the place where an unhurried break between presentations and brainstorming can be enjoyed - fully homelike in the kitchen. Tell each other about your day, have a coffee, take an apple or pamper yourself with an ice-cold coke from the fridge. Pause for a breath, stock up on energy, sit comfy in the armchair and chat about the newest Netflix series - and let's go for creativity afterwards again.
